Victron Energy 12v / 38Ah AGM Deep Cycle Battery - The AGM range has very low internal resistance making them particularly suitable for high current discharge applications such as for inverters, ...

AMAXPOWER HD Series is free maintenance deep cycle gel battery with 15-20years design life in float service. 30% more life than the standard gel battery, 50% more than the regular lead-acid AGM battery.

The Victron 12V 38Ah AGM Dual Purpose Leisure Battery is a VRLA (Valve Regulated Lead Acid) battery.. They are a deep cycle AGM battery, with excellent high current performance.

You can find a diverse variety of powerful, efficient, and long-lasting inverter battery 12v 38ah on the site offered by the leading suppliers and wholesalers for the most affordable prices.

The AGM range has very low internal resistance, making it particularly suitable for high current discharge applications, such as inverters, thrusters and winches.

The AGM 12V 38Ah Deep-Cycle Battery from Victron Energy is the ideal solution for applications with high current discharge. With its high cycle stability and low internal resistance, it is particularly well ...

AMAXPOWER HD Series is free maintenance deep cycle gel battery with 15 ...
