Providing a cool, dry environment for you to store and charge your batteries, our cutting-edge battery cabinet is the Australian-made solution you've been searching for.

For larger businesses, this Lithium-ion battery cabinet makes the most of the clever double-wall, sheet steel design, which provides a thermal air defence to slow the advance of any battery fire.

Spillbase provides New Zealand workplaces with reliable safety solutions. Whether you need lithium battery storage or our chemical storage cabinets, we deliver quality protection with nationwide shipping.

Store lithium-ion batteries safely with our fire-resistant, AS/NZS 5139-compliant cabinets - perfect for NZ worksites, warehouses & workshops.

From rugged battery storage cases to fully featured battery boxes, we offer a range of portable solutions designed to keep your power source secure, organised, and protected.

Create safer working environments where Lithium-ion batteries are in use for New Zealand businesses with our extensive range of Lithium-ion battery cases.

The Hazero Lithium-ion Battery Safety Mini Cabinet provides a safe and controlled environment for storing Lithium-ion batteries commonly used in various electronic devices and equipment.
