Where are Conex containers repurposed?

The main depot is located at Mansfield at zip code 02048. The second is off the 122A in Worcester, MA. The Boston and Providence based architecture and construction firm Stack + Co deals with custom designed cargo container projects that make us rethink how used Conex containers may be repurposed.

Where can I get a new container?

You can get new containers that have only made one trip with cargo, and in addition there are IICL-certified containers. Additionally, Shipping Container World also provides CWO containers, WWT containers, and damaged "as-is" containers. The structural integrity of a unit has everything related to the course that it is sold.
