Are power banks portable?

Power banks are portable and dependable. Our RS Range comes in variants that can support multiple devices at one time through multiple USB ports, and have a range of charging capacities to suit your needs. There are also solar charged power banks available, perfect for prolonged periods in outdoor locations. mAh means milliamp-hour.

Should you buy a power bank or a portable charger?

The best power banks are always handy. Our gadgets have a Murphy's law-like ability to run out of power at the least convenient moment: as you step on the bus, right in the middle of an important meeting, or just as you get comfortable on the couch and press Play. But with a portable charger, you can keep using your devices.
