How do hidden TV lift cabinets work?

Hidden TV lift cabinets are made to solve these problems. When closed, they are attractive, functional cabinets. But with the click of a remote control, up pops your TV! Their magic is made possible with lift hardware that stores into the back side of the cabinet, and a hinged panel that automatically opens to reveal the hidden TV.

Are hidden TV lift cabinets worth it?

Media consoles are great TV stands, but are pricey and don't secure your television from the wrath of pets, sugared-up grandkids, and the occasional clumsy houseguest. Hidden TV lift cabinets are made to solve these problems. When closed, they are attractive, functional cabinets. But with the click of a remote control, up pops your TV!

Do TV cabinets take up a lot of space?

Televisions take up a lot of space. Not only are they clunky and somewhat unsightly, they can be difficult to place. Enter hidden TV cabinets. They store your television when you're not using it, then, with the press of a button, raise your flat screen when it's time to watch *The Bachelor*.

Where can I buy a TV lift cabinet?

Hidden storage is always a win, and this TV lift cabinet has plenty. Elegant smoked glass doors conceal adjustable shelves that can store knick knacks, cable boxes, and more. The lift function is whisper quiet, and a purchase can be purchased at Walmart.
