What is Huawei brand gallery & brand wall?

The brand gallery and brand wall by the south entrance provide an interface between the brand and the consumers. Here, Huawei's evolving history and brand milestones are commemorated and a further break-out space is provided. Location to be used only as a reference. It could indicate city/country but not exact address.

What is Huawei's New Shanghai flagship store?

The new Shanghai flagship store is designed as a flexible, user-centric interface that provides stimulating, multi-faceted experiences to Huawei's customers. It enables the pioneering tech company to identify and test the current and future needs and habits of its customers and create its own community within the store.

What is Huawei's flagship store?

The flagship store is more than a retail space--it's a community hub designed to foster connection and engagement. The HUAWEI Community area hosts public lectures, cultural activities, and fitness classes, while flexible gathering spaces encourage relaxation and collaboration.

What is photovoltaic curtain wall?
