LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of products.

Embrace the power of solar energy with LONGi, the global leader in monocrystalline solar panels. Discover their range of high-performing products.

The panels from LONGI Solar are the ones of the most efficient solar panels with almost 25% efficiency ratings due to HPBC technology. LONGi provides a 12-25-year product warranty and ...

Offering a maximum output of 550W, it utilizes advanced PERC monocrystalline technology to optimize performance and energy yield. This panel is part of the Hi-MO 5 series, known for its high conversion ...

LONGi launched its mono-PERC modules in 2016, featuring integrated PERC technology on monocrystalline silicon and low light degradation, and its cell efficiency has increased from 21% to ...

TS62941: Guideline for module design qualification and type approval OHSAS 18001: 2007 Occupational Health and Safety chnical changes and tests. LONGI Solar reserves t Positive power ...

The LONGi LR5-72HTD-580M is a high-efficiency monocrystalline solar panel, part of the Hi-MO 6 Explorer series, offering superior performance for large-scale residential and commercial ...

The Longi 545W LR5-72HPH 545 solar panel is a monocrystalline module with 545W output and 144 cells (6x24) from Longi, one of the leading manufacturers in the global photovoltaic ...
