LONGi Solar Technology Co., Ltd. Solar Panel Series LR6-60BK 280-300M. Detailed profile including pictures, certification details and manufacturer PDF

Backed by advanced technologies, LONGi solar panels feature excellent power ratings and top conversion efficiencies, and can be used across all market segments. LONGi's field-proven bifacial ...

LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of products.

STC: Irradiance 1000W/m<sup>2</sup>, Cell Temperature 25°C, Air Mass AM1.5; Measuring tolerance: ±3%. We are very proud that through our unremitting efforts, we have obtained TUV/SGS/CE/ISO and other ...

The LONGi Solar LR6-60 280 M panel delivers 280W. Maximum current and voltage are 8.92A and 31.4V respectively. As for physical dimensions, the panel is 1650mm tall and 991mm, wide, and ...

Positive power tolerance (0~ +5W) guaranteed. High module conversion ...

The LONGi Hi-MO 5 solar panel series is also compliant with the IEC 61730, IEC 62941, and UL 61730 certifications. The modules also include an IEC Class C fire resistance ...

We do our best to provide information such as the panel dimensions, datasheet, warranty information, wattage and more wherever possible.
