We specialize in solar panels and solar systems. KF Solar Tech Group Corp. is a professional manufacturer and supplier of high performance 260w polycrystalline solar panels.

Note: the specifications are obtained under the Standard Test Conditions (STCs): 1000 W/m² solar irradiance, 1.5 Air Mass, and cell temperature of 25°C. The NOCT is obtained under the Test ...

The . 260W 30V black solar panel solar panels have a rated output of 260 Wp and an impressive efficiency of 16 %, making them an excellent choice for homeowners looking to harness the ...

The Jinko 260W Solar Panel (JKM260PP-60) is a high-efficiency polycrystalline solar panel, delivering 260W of maximum power output with a 15.88% efficiency rate.

A 260 watt solar panel represents a mid-range power output option that continues to serve specific applications effectively in 2025, despite the industry's shift toward higher wattage modules. ...

Mercury 260W 24V Polycrystalline Solar Panel - Premium Quality Solar Module. Stable performance under weak light conditions; Salt mist and ammonia corrosion tests passed; Wind load ...

Exceptional low-light performance and high sensitivity to light across the entire solar spectrum. 25-Year limited warranty on power output and performance. 5-Year limited warranty on materials and ...

270W POLYCRYSTALLINE GEM SERIES SS270P/60 A-Grade Components - careful procurement of trusted and compliant components such as industry-leading solar cells, backsheets and ...
