Who makes custom lithium-ion battery packs?

As a pioneer in future-ready power solutions, CMB is your trusted partner for custom lithium-ion battery packs. CMB's 21700 Li-ion battery packs offer advanced lithium-ion battery technology in compact and high-energy-density packaging. They provide superior power and longevity suitable for various applications.

Why should you choose CMB for a custom lithium-ion battery pack?

Whether for small or large orders, we offer competitive pricing and on-time delivery. As a pioneer in future-ready power solutions, CMB is your trusted partner for custom lithium-ion battery packs. CMB's 21700 Li-ion battery packs offer advanced lithium-ion battery technology in compact and high-energy-density packaging.

What is a custom LiFePO4 battery pack?

Our custom LiFePO4 battery packs are made in cylindrical and prismatic formats. LiPo batteries allow for greater flexibility and ensure the perfect fit for vehicles, machinery, and other various devices with unusual dimensions and weight requirements.

Can lithium ion batteries be recycled?

The demand for lithium ion batteries has been increasing lately. Our batteries can be recycled easily and with very little of a hassle. After supporting 6000+ projects, we're sure that we can do the hassle-free solution and service for you. Not only to protect your investment, but also our advanced BMS will make your battery more efficient.

Order custom battery packs at Voltaplex. As a trusted custom battery pack manufacturer, we specialize in custom lithium battery packs designed to meet unique energy requirements.

When it comes to installing solar, our resources can help you determine the best options.

There are two main types of solar energy technologies--photovoltaics (PV) and concentrating solar-thermal power (CSP). On this page you'll find resources to learn what solar ...

Kitjia lithium battery pack customization bridges the gap between existing technology and emerging needs, offering smarter, leaner, and more adaptable energy solutions.

Our custom battery packs are applicable to UPS battery, AGV battery, medical battery, off-grid solar battery,
