The FIFA U-20 World Cup(TM) will be back for its 24th edition. Twelve nations have lifted the trophy before, the latest being Uruguay in 2023.

Standards available for the energy rating of PV modules in different climatic conditions, but degradation rate and operational lifetime need additional scientific and standardisation work (no specific standard ...

Learn about PV module standards, ratings, and test conditions, ...

ASTM E2848 is reshaping how solar PV performance is verified--bringing transparency, consistency, and trust to the process. Keentel Engineering continues to lead the way by delivering ...

The newly released PVEL Scorecard 2024 is a crucial resource for evaluating solar panel reliability and performance. This annual report from PV Evolution Labs (PVEL) provides critical ...

He is the latest Dutchman to lead Indonesia's FIFA World Cup(TM) 26 qualifying bid, joining new head coach Kluivert and assistants Alex Pastoor and Denny Landzaat.

Learn about PV module standards, ratings, and test conditions, which are essential for understanding the quality and performance of photovoltaic systems.

The Renewable Energy Test Center (RETC) has released its 2025 PV Module Index, assessing solar module reliability, quality, and performance across industry benchmarks.
