Trina Vertex 530 Watt Mono Ground Mount Bifacial Solar Panel, TSM-DEG19C20_Vertex_530, clear frame, white backsheet, 110-cell panel offers a 20.3% module efficiency rating. Plug type is MC4, ...

Trina 530Wp-TSM-DEG19C-20 model of series Vertex-Bifacial has an efficiency of 20.3% on a module area of 2.61 m². With higher efficiency and compact footprint, it suits rooftops where space is ...

Based on the 210mm large-size silicon wafer and monocrystalline PERC cell, power output can exceed 550W.

The parameters of the solar panel determine the power generation of the system. Select the appropriate layout and achieve the maximum power generation through parallel and series ...

Trina Solar 600W/550W PV modules took advantage of Trina Solar's multi-busbars technology, low-voltage, high-current design, and advanced technology solutions such as non-destructive cutting and ...

Engineered for compatibility with mainstream system components, it features reinforced glass and frame designs that withstand up to 5 400 Pa positive and 2 400 Pa negative loads, as well as enhanced ...

All you need to know about the TSM-DEG19C.20 530 solar panel including rating, cost, efficiency, and warranty terms.

STC: Irradiance 1000W/m², Cell Temperature 25°C, Air Mass AM1.5. *Measuring tolerance: ±3%.
NOCT: Irradiance at 800W/m², Ambient Temperature 20°C, Wind Speed 1m/s. ed connector.
CAUTION: ...
