This map does not include every U.S. base or facility in the Middle East, but rather focuses on those which are well documented or currently known to be in use.

The following is a list of military bases operated by the Israel Defense Forces, sorted by command.

Reports from L"Orient Today"s correspondent on the ground in southern Lebanon indicate that the Israeli army has already started constructing enforcements and erecting roadblocks and ...

Instead, Israel proposed an alternative plan--keeping troops stationed at five observation sites--which Washington approved. As these sites are being established, Israeli forces are set to ...

The following declassified maps were released by the IDF detailing how Hezbollah, in the four years following the Second Lebanon War, turned over 100 villages in South Lebanon into military bases.

This site lists only those locations approved by the individual service branch. If you cannot find the installation you are looking for, select the closest installation in that state or country.

Beirut Air Base comprises the military base at the western end of Beirut International Airport (Rafic Hariri Airport) at Khalde (or Kaldeh). It is located 9 km (5.6 mls) from Beirut city centre, ...

At its height there were almost 15,000 Marines and Army troops in Lebanon. As of mid-2025, there are about 40,000 to 50,000 US troops in the Middle East, comprising personnel stationed ...
