For example, roof trusses and traditional shingles that support solar panels don't qualify, but solar roofing tiles and solar shingles do because they generate clean energy.

If you lease solar panels, you generally pay the solar company a monthly rate and the solar company continues own the panels and provide maintenance. You can get the benefits of the electricity ...

You may claim the residential clean energy credit for improvements to your main home, whether you own or rent it. Your main home is generally where you live most of the time. The credit applies to new or existing homes located in the United States. You can't claim the credit if you're a landlord or other property owner who doesn't live in the home....See more on [irs.gov](https://www.irs.gov)
