What is the World Solar Challenge?

World Solar Challenge teams are racing past iconic outback sites like the Devils Marbles as they head down south. (ABC News: Pete Garnish) Six futuristic vehicles, shaped like alien spaceships, are parked outside the Dunmarra Wayside Inn, with the solar cells plastered across their bonnets soaking up the glow of the morning sun.

What is the Bridgestone World Solar Challenge?

The Bridgestone World Solar Challenge acknowledges the Traditional Owners of the Countries where our event takes place, and pays its respect to Elders past and present.

What makes the World Solar Challenge worthwhile?

"It's very exciting to see all the other teams with their own innovations, we always try and catch up by playing football or having dinner together," Mr Rubbrecht says. Ms Evers says, while the sense of competition is strong, it's the shared enthusiasm that makes the World Solar Challenge worthwhile.

Is acentauri preparing for a World Solar Challenge?

Team aCentauri prepares for its second World Solar Challenge. The Bridgestone World Solar Challenge isn't just a proving ground for solar cars--it's a glimpse into the future of sustainable transport. "This is essentially the Formula One of electric cars," Storey said.
